RE: Permit Modification Review, Conveyor Revision, Utah Fuel Company,
Skyline Mine, ACT/007/005, Folder #2, Carbon County, Utah

I have determined the bond amount for the Skyline Mine to be \$3,470,000. Utah Fuel Company's current reclamation bond is for \$3,095,000.

The reasons for the \$375,000 bond increase are higher estimated costs for demolition and remove, and interim sediment control facilities. Attached is copy of my bond estimate.
