Dear Mr. Zobell:

Re: Denial of Initial Waste Rock Expansion Proposal, Utah Fuel Company, Skyline Mine, ACT/007/05-92G, Folder #3, Carbon County, Utah

The Division has completed a review of the your initial proposal for expansion of Skyline's Waste Rock Disposal Area. It is our understanding that this proposal was a draft only and that we are to expect a formal submittal shortly. In order for us to keep our tracking records straight we are hereby denying your original submittal (amendment 92-G). Please bear in mind that you have committed to supply us a new formal submittal. We will assign a new tracking number when it arrives.

Hopefully the information you received from our review of the draft submittal will help you in completing youR formal amendment. If you have any questions, please call.

Sincerely,

Daron R. Haddock
Permit Supervisor
