Dear Mr. Zumwalt:

Re: Approval of Amendment Addressing Division Order Which Vacated NOV N92-37-1-1, Coastal State Energy Company, Skyline Mine, ACT/007/005-92F, Folder #3, Carbon County, Utah

The submittal received on May 18, 1992 and subsequent submittal received on June 11, 1992 regarding the above noted permitting action was reviewed and found to be complete and adequate by Priscilla Burton and Paul Baker of the Division's technical staff. The submittal was in response to the Division Order vacating NOV N92-37-1-1.

The Division hereby approves the above referenced amendment. Please remember the commitment in your letter of June 4, 1992 to reword page 4-45 to indicate the years in which annual revegetation analysis was reported. This revised page was to be submitted in the deficiency response letter for the overland conveyor. Thank you for your cooperation in resolving this matter.

Please call if you have any questions.

Sincerely,

Daron R. Haddock  
Permit Supervisor
