Dear Mr. Haddock:

Our response to the remaining deficiencies to our M&RP renewal is due in your office by January 22, 1992. Our responses have been drafted and are in the process of being typed. However, on January 20, 1993, we experienced a power outage that lasted several hours. This outage has delayed typing our response and final proof reading. We, therefore, would like to request a delay in submitting our response until January 27, 1993.

Sincerely,

Glen A. Zumwalt
