Dear Mr. Braxton:

Enclosed is an updated partial computer printout of the water quality data for Coastal States' Skyline Coal Mines project. The tabulated data and statistical summaries, herewith submitted, cover a period through the fourth quarter of 1992, but include only those pages which have been changed during the quarter.

These updated pages are replacements and/or additions for those pages previously submitted, and should be appropriately inserted into your existing loose-leaf document.

Sincerely,

Keith Welch
