*Re: Scofield Waste Rock Disposal
Certified Report of Activities*

Dear Mr. Haddock,

Attached is our certified report of activities at the Scofield Waste Rock Disposal site for the fourth quarter of 1993.

Attached is the laboratory result of the sample taken for material hauled during the fourth quarter.

Sincerely,

*Keith Zobell
Environmental Engineer*

December 16, 1993

I, Carl W. Winters, do hereby certify that during the fourth quarter of 1993, approximately 2,630 cubic yards of gob material was hauled to the Scofield Waste Rock Disposal site. All material was spread and compacted, except for two truck loads. Inspections of the site did not reveal any appearances of instability, structural weakness, or other hazardous conditions.
