Dear Mr. Zobell:

Re: Permit Document, Coastal States Energy Company, Skyline Mine, ACT/007/005,
Folder #3, Carbon County, Utah

As requested in our phone conversation of January 27, 1993, I am forwarding to you two copies of permit ACT/007/005 for the Skyline Mine. Please have them signed by a company representative acknowledging acceptance of the requirements and return them to the Division. Lowell Braxton, Acting Director will then countersign them and then return one to you. These will then be your official permit documents.

You should note that Attachment B has been revised to reflect the approved overland conveyor revision and that Attachment A-1 reflects the changes previously agreed upon for the special Permit Stipulation.

Thank you for your help in completing the permitting process. Please call if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
