Gentlemen,

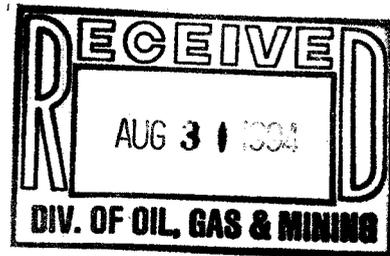

Enclosed are 3 copies of DOGM forms C1, C2, Pages 5a/11, 5b/11, 5c/11, 5d/11, Vol. 5  
Sec. 4 and Map 3.2.1-1.

This information is for a permit amendment to change the already approved CMP culvert  
CD-4 to a concrete box culvert. This has become necessary as the heavy mining machinery  
going in and out of Mine No. 1 have a tendency to crush the metal culvert. The concrete box  
culvert is designed to support the heavy mine loads.

If you need any additional information, please contact Keith Zobell.

Sincerely,

Ken Payne  
Vice President/General Manager
