Re: Stoker Conveyor Amendment

Dear Mr. Haddock,

Attached are 12 copies of Pages 3-24 and Map 3.2.3-1A for distribution for the approval of the stoker conveyor amendment.

We recently submitted 12 copies of Map 3.2.3-3 for the sediment trap amendment which also included the stoker conveyor location. We are assuming that we do not need to submit an additional 12 copies of Map 3.2.3-3 to show the exact same information as already submitted.

If you need any additional information, please contact Keith Zobell.

Sincerely,

*Ken Payne
Vice President/General Manager
