Re: Stoker Conveyor Amendment

Dear Mr. Haddock,

Enclosed are Forms C1 and C2 along with 3 copies of the back up documentation for the Stoker Conveyor amendment. Additional reclamation costs are as follows:

Concrete Removal	45 Yds.	\$ 315.00
Concrete Disposal Onsite		\$ 229.00
Removal of 54' Scrap Conveyor		\$ 226.00
	Total	\$ 770.00

We have sufficient excess bonding to cover these **additional** reclamation costs.

The addition of this conveyor will **not create any additional disturbance** and will not effect the surface drainage. We have applied to the Division of Air Quality to modify our air quality approval to include this new conveyor.

If you need any additional information please contact Keith Zobel.

Sincerely,

Ken Payne
Vice President/General Manager
Utah Fuel Company
