Re: Data Gathering Holes, Skyline Mine, Utah Fuel Company, ACT/007/005-94D,
Folder #3, Carbon County, Utah

Dear Mr Payne:

The Division has reviewed your letter in regard to the three shallow drill holes that are proposed to be drilled to confirm engineering parameters for the new rock slope. These holes are currently part of the disturbed area and included in the reclamation plan and current reclamation cost estimate. Therefore, this proposal is approved.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
