Re: ASCA/SAE Permit Ammendment

Dear Mr. Haddock:

We received the Divisions review of our ASCA/SAE permit ammendment couple of weeks ago. We have been unable to start our review of the deficiencies due to preparing mid-term responses and accomplishing required water monitoring.

We will be able to complete our review and prepae our response so as to provide the necessary input back to you by June 23,1995.

We trust this will be satisfactoy to you. If it is not please give me a call.

Sincerely,

Keith W. ZoBell
Environmental Coordinator
