RE: Siding for Beltline Dust Collector, Skyline Mine, Utah  
Fuel Company, ACT/007/005-95F, Folder #3, Carbon  
County, Utah

Utah Fuel Company has addressed and met the requirements of the R645 regulations; therefore, is granted approval for amendment ACT/007/005-95F.

**FINDINGS DOCUMENT**

- 1) The permittee has submitted an amendment with all necessary information to the Price Field Office for approval.
- 2) The permittee has submitted a sediment control that uses straw bales or silt fences. The design will be the same as in the current MRP.
- 3) Skyline has excess bond to cover the addition bonding needed for this project.
- 4) The surface facility map has been updated to reflect the new addition to the building.
- 5) The TA will need to be updated to reflect the additional bond.
