REFERENCE: Skyline Mine Permit Transfer

To Whom It May Concern,

ACT/007/005 #2

Huntington Cleveland Irrigation Company files a protest to this permit transfer:

Utah 020105, Utah 044076, Utah 142235,
Utah 1475700, Utah 043120 also serial Utah 020305,
serial Utah 044076, Utah 00142235, Utah 0147570,
Utah 073120.

This protest is based that Skyline Mine is intercepting water in their mining operation, from the Huntington Creek Drainage and all water intercepted is being discharged out into the Price River Drainage.

Electric Lake ~~is~~ lies over 38 acres of lease # U-044076. Any water coming from this area is more than likely water out of Electric Lake.

Huntington Cleveland Irrigation Company files this protest against any Permit Transfers until these problems are reconciled.

Sincerely,

Duane K. Jensen
