Re: Waste Rock Disposal Site Permit Change, Skyline Mine, ACT/007/005 #2

Dear Mr. Demczak:

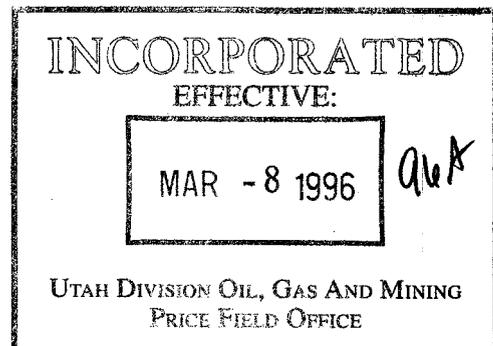

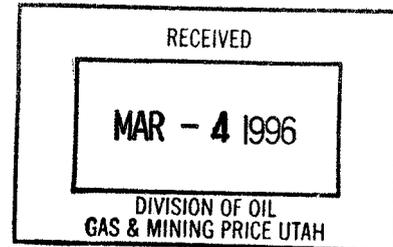

Enclosed are Forms C-1 and C-2 regarding a permit change for the above referenced permit. The purpose of this change is to allow the Skyline Waste Rock Disposal Site to receive waste rock from Soldier Creek and Dugout Mines.

This change requires replacing pages 4-87 and 4-87a in the Skyline permit. The revisions on these pages are shaded for your convenience in reviewing this change. Fourteen copies of the revised pages are enclosed.

If there are any questions, please contact Keith Zobell or Barry Barnum.

Very truly yours,

L. Craig Hilton
