Mr. Ken Payne, Vice President/General Manager
Utah Fuel Company, Skyline Mine
P.O. Box 719
Helper, Utah 84526-0719

Dear Mr. Payne:

Subject: Stipulation and Consent Order I95-02CO for Skyline Mine UT0023540

We are grateful for the cooperation shown in resolving the enforcement action (I95-02CO) taken against your Company (Skyline Mine). We received the money on December 19, 1995, for the Division of Wildlife Resources and for the Division of Water Quality, as per paragraph 3 under the Order portion of the Stipulation and Consent Order.

As you may or may not have noticed, no termination/closure date was included in the stipulation and Consent Order. Since the penalty money has been paid and received, we feel the enforcement action should be concluded. Therefore, as of January 3, 1996, please consider the enforcement action against Skyline Mine as closed out.

If you have any questions, please give Mike Herkimer a call at 538-6058.

Sincerely,

Donald A. Hilden, Ph.D., Manager
Permits & Compliance Section
