Dear Mr. Haddock:

The purchase of Coastal State Energy's operations in Utah by Canyon Fuel Company has resulted in changes in the ownership information which is required in our mining permits. Attached are the appropriate number of copies of such changes for our Skyline, and Soldier Canyon mines. Information submitted for the SUFCO permit newal included new ownership information but two pages have been corrected. The information for each mine is preceeded by a form C-2 which explains the changes which must be made to that permit.

If there are any questions, please contact Barry Barnum or Keith ZoBell. Thank you for your assistance with this matter.

Very truly yours,

Keith ZoBell  
Environmental Coordinator
