Re: Updated Chapter 1 (Legal Financial Information), Canyon Fuel Company, LLC, Skyline Mine, ACT/007/005-97PR, File #2, Carbon County, Utah

Dear Mr. Meadors:

Your office recently asked us to check on the status of Chapter 1 information for the Skyline mine. Chapter 1 was recently revised during the permit renewal for the mine and our office approved it effective April 20, 1997. We are enclosing a copy of the stamped incorporated pages for insertion to your mining and reclamation plan.

A question was also asked about the Chapter 1 information in the Banning Siding plan. Apparently Chapter 1 for Banning has never been updated and the information is out of date. Canyon Fuel should ensure that the information contained in the Banning Siding plan be brought up to date.

Thank you for following up on this. If you have any questions, please call.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
