Dear Mr. Meadors:

The referenced amendment depicting changes to the disposal of material cost estimates for the performance bond, topsoil and subsoil placement, the topsoil source for the reclamation of the waste rock disposal site, and the general house keeping of these sections was received by the Division on October 2, 1997. We anticipate completing a review of this proposal by October 16, 1997.

A copy of your proposal will be available for review by other agencies at our Salt Lake Office. If you have any questions please call.

Sincerely,

Joseph C. Helfrich
