RE: Updated Raptor Information, Canyon Fuel Company, LLC, Skyline Mine, ACT/007/005-98A, Folder #2, Carbon County, Utah

**SUMMARY AND ANALYSIS:**

Amendment 98A was originally submitted to satisfy the requirements of notice of violation N98-39-1-1 and Stipulation 1, Attachment A, Section 18, Special Conditions, of the permit. The submittal satisfied these requirements, but additional commitments were required.

The applicant has committed to do nest surveys following the protocol in the *Raptor Management Techniques Manual*. Information gathered will be distributed to appropriate agencies as soon as it becomes available.

These commitments fulfill the requirements in the previous technical analysis.

**RECOMMENDATIONS:**

The amendment can be approved.
