Re: Application for Minor Coal Exploration Approval, Canyon Fuel Company, LLC, Skyline Mine, ACT/007/005-97M, Folder #2, Carbon County, Utah

Dear Mr. Meadors:

We have received the above-referenced amendment. The Division anticipates completing review and comment by January 16, 1998.

Typically amendments dealing with exploration with Federal Surface or Federal Coal are provided to our agency under separate cover by the Bureau of Land Management. However, to ensure distribution to all entities involved with this review process, we are forwarding your proposal to the Bureau of Land Management and the U.S. Forest Service.

If you have any questions please call me 538-5290.

Sincerely,

A handwritten signature in cursive script that reads "Joseph C. Helfrich".
