RE: Arch of Wyoming, LLC, TFN 3 1/288

Dear Sir/Madame:

The Land Quality Division is currently evaluating an application for a coal mining permit renewal for Arch of Wyoming, LLC. As part of our review of outstanding fines and/or penalties incurred by the applicant, we are contacting other state regulatory agencies who have issued permits and/or notices of violation to Arch of Wyoming, LLC. Your state agency was included in the applicant's "Identification of Interests and Statement of Compliance" sections of the permit application.

If Arch of Wyoming, LLC or any of the attached owners, officers or directors are currently in violation, have had permits suspended or revoked, bonds forfeited, or currently owe money for fines, fees or civil penalties, please notify us immediately. If after fifteen (15) days we do not receive a response from you, we will assume that the applicant, owners, directors are in compliance with your state.

Please note that we do not need to receive a response unless unabated violations, suspensions, cease and desist orders, revocations, bond forfeitures or outstanding fines, fees or civil penalties exist.

Thank you for your cooperation. If you have any questions, please contact this office.

Sincerely,

Deanna Hill
