RE: Incidental Boundary Change to the Skyline Mines M&RP to Include the
 Connelville Development Tract (Interim), 2nd Submittal, Emery County, Utah, Permit
 ACT/007/005.

Dear Daron:

Incoming IBC 00C

Please find enclosed with this letter seven copies of a permit modification application to the Skyline Mines Mining and Reclamation Plan. These copies include 7 clean copies and 3 redline/strike through copies of modified text. This application consists of the second submittal for an incidental boundary change (IBC) request which will incorporate 27.9 acres of coal leased from Utah Power and Light (UP&L) into the Skyline Mines existing permit boundary in a tract named "Connelville Development Tract". This submittal is in response to modifications requested by your staff after their review of the initial submittal on the 17th of August, 2000.

The Division's rapid initial response to Canyon Fuel's application for this development tract is greatly appreciated. If you have any questions regarding this second submittal, please give me a call.

Sincerely,

Chris D. Hansen
