RE: Abandoned Equipment in Skyline Mine, Emery County, Utah, Permit
ACT/007/005.

Dear Mary Ann:

As a follow-up to our conversation on February 28, 2001 regarding the abandonment of the longwall pan line, I am submitting a permit modification to the Skyline Mine Mining and Reclamation Plan. The modification includes a minor text change and the addition of a drawing illustrating the location and a description of equipment left underground at Skyline. I have included with this letter a second letter from Doug Johnson explaining the justification for leaving the pan line, eight copies of the modified text and new drawing, and four copies of the modified text highlighted with redline markings.

If you have any questions regarding this submittal, please call me at (435) 448-2669. Thanks for your help.

Sincerely,

Chris D. Hansen
Environmental Coordinator
