RE: Emergency Drilling Application for Mine Dewatering Wells in James Canyon,
Emery County, Utah

Dear Ms. Grubaugh-Littig:

Please find attached to this letter a copy of the application for drilling emergency dewatering wells in James Canyon. This application was submitted to the Bureau of Land Management, Price Field Office today. The purpose of the wells is to allow the mine to dewater the active sections of the mine that have been flooding since Thursday, August 16. If you have questions, please give me a call at (435) 448-2633.

Sincerely:

Mark Bunnell
Mine Geologist
