Outgoing File

Dear Mr. Meadors:

The Division received an application to install a mine ventilation fan on April 27, 2001. We anticipate completing this review by May 11, 2001. Steve Demczak has been assigned as the team lead on this project. Copies are being forwarded to the Office of Surface Mining, Bureau of Land Management, and the U.S. Forest Service for their review and concurrences.

If you have any question, please call Steve at (435)-613-5242 or me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
