Re: Extension of Time to Address Slurry Pumping Underground, Canyon Fuel Company, LLC., Skyline Mine, C/007/005-AM01D, Outgoing File

Dear Mr. Meadors:

The Division received a written request, signed by Gary Taylor, to extend the date for addressing the deficiencies in amendment AM01D (Slurry Pumping Underground) on September 19, 2001. Your request is hereby granted. You now have until October 21, 2001 to respond to the deficiencies. Failure to respond by this date may result in our denying and returning your application. In the mean time you should continue to operate according to your currently approved plan.

Please call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
