Re: Burial of Power Line, Canyon Fuel Company, LLC, Skyline Mine, C/007/005-IB011,  
Outgoing File

Dear Mr. Meadors:

The Division received an application for burial of a power line on September 27, 2001. We anticipate completing this review by October 11, 2001. Mike Suflita has been assigned as the team lead on this project. Copies are being forwarded to the Office of Surface Mining, Bureau of Land Management, and the U.S. Forest Service for their review and concurrences.

If you have any question, please call Mike at (801)-538-5259 or me at (801) 538-5325.

Sincerely,
