RE: Five-Year Permit Renewal for the Canyon Fuel Company, LLC Skyline Mine,
C/007/005.

Dear Ms. Grubaugh-Littig:

Canyon Fuel Company, LLC Skyline Mine respectfully requests the Utah Division of Oil, Gas and Mining begin the five-year permit renewal process for Skyline Mine, C/007/005. I have attached to this letter copies of the proof of reclamation bond, a copy of the mine's liability insurance, tables illustrating the NOV history for Canyon Fuel for the past five years, and a copy of the legal notice we plan to submit to the local newspapers upon the Division's approval. We have updated a copy of the M&RP and delivered it to the Carbon County Courthouse. If you have questions, please give me a call at (435) 448-2669. I appreciate your consideration of our request.

Sincerely,

Chris D. Hansen
Environmental Coordinator
