Norwest Tech. Reports-Flat Canyon Coal Lease-Tract EIS CD

Received From: Carter Read, USFS

Delivered To: Priscilla Burton, DOGM

Date: 9/27/02

This CD contains Water Monitoring Data provided by Carter Reed of the US Forest Service, Price, Utah on 9/27/02.

The data is for Water Monitoring wells NOT associated with the Salt lake Mine Water Monitoring Plan. This data was needed to prepare the Technical Report Surface Water and Groundwater Resources in the Flat Canyon Area. See Figure 1.2, Location Map and Hydrologic Monitoring Points.
