

0051 PUBLIC NOTICE

Canyon Fuel Company, LLC, of Salt Lake City, Utah, has filed a complete application with the Division of Oil, Gas and Mining for a revision of the existing Mining and Reclamation Plan, C/007/005 for the Skyline Mines. The mines are located approximately 5 miles southwest of the town of Scofield, Utah. The revision includes the addition of acreage associated with Federal Coal Lease, Serial # UTU-67939 (North Lease). The North Lease is located in the vicinity of Winter Quarters Canyon. The addition of this area will increase the permit area and underground workings for the Skyline Mines by 3,243 acres, with no additional surface disturbance proposed. Upon approval, DOGM will issue a new permit for the entire permit area, including the extension area.

According to the Scofield, Utah, USGS 7.5 minute topographic map, the North Lease area location is defined as follows:
