Re: Final Approval of BC-5 and Steel Drop Tube, Canyon Fuel Company, LLC, Skyline Mine, C/007/005-AM02C, Outgoing File

Dear Mr. Meadors:

The above-referenced amendment was conditionally approved on June 6, 2002, upon receipt of seven clean copies of page 3-36 (a) prepared for incorporation. This condition has been met. Enclosed is a stamped incorporated copy for insertion into your copy of the Mining and Reclamation Plan.

There were no deficiencies with the original submittal. That being the case, those federal agencies that received the amendment can simply incorporate page 3-36 (a) into their existing copy of the application and then into their copy of the Mining and Reclamation Plan.

Thank you for completing this permitting action. If you have any questions, please feel free to call me at (801) 538-5268.

Sincerely,
