Dear Mr. Meadors:

The Division received your application to include Lawrence Reservoir in the Mining and Reclamation Plan on June 27, 2002. We anticipate completing this review by August 2, 2002. Steve Demczak has been assigned as the Lead on this project. Copies are being forwarded to the Bureau of Land Management, and the U.S. Forest Service for their review and concurrences.

If you have any question, please call Steve at (435) 613-5242 or me at (801) 538-5325.

Sincerely,
