Re: Permit Modification, Canyon Fuel Company, LLC, Skyline Mine, C/007/005-IB02G,  
Outgoing File

Dear Mr. Meadors:

The Division received an application to increase the mine's existing permit area by approximately 84 acres on August 1, 2002. We anticipate completing this review by August 16, 2002. Steve Demczak has been assigned as the Lead on this project. Copies are being forwarded to the Bureau of Land Management, and the U.S. Forest Service, however their concurrences are not required as the permit area is fee coal and fee surface.

If you have any question, please call Steve at (435) 613-5242 or me at (801) 538-5268.

Sincerely,

for
