Dear Mr. Meadors:

The requested information must be provided by close of business on Monday October 7, 2002 to be included in the first round of the Technical Analysis (TA). (Seven copies of the information should be provided.)

The Division expects to complete the first round TA by October 18, 2002. Canyon Fuel will have a second opportunity to respond to deficiencies in the TA on or before November 4, 2002. The projected date for final technical review is November 21, 2002.
