Re: Winter Quarters Tract, Canyon Fuel Co. LLC, Skyline Mine, C/007/005-SR02I, Outgoing File

Dear Mr. Dykman:

The Division of Oil, Gas and Mining has received a proposal from Canyon Fuel Co. LLC, to add 3,291 acres of federal lease UTU-74804 to its permit area for the Skyline Mine. There would be no additional surface disturbance. The environmental assessment states the lease area contains no public parks, cemeteries, archaeological sites, units of the National System of Trails, or units of the Wild and Scenic Rivers System.

We are currently reviewing the plan and request your comments/concurrence by October 18, 2002. If you have any questions on this plan change or need further information, please call me at (801) 538-5325, or Paul Baker at (801) 538-5261.

Sincerely,
