Re: Permit Extension for North Lease (Winter Quarters), Canyon Fuel Company, LLC,
Skyline Mine, C/007/005-SR02I-1, Outgoing File

Dear Mr. Meadors:

Additional pages and one map for the Permit Extension for North Lease (Winter Quarters) were received on November 13, 2002. These replacement pages and map have been compiled into our copies of the application and are being hand-delivered by your representative (Vickie Miller) to the following agencies for insertion into their copies of the application: Bureau of Land Management (Salt Lake Office and Price Office); U.S. Forest Service (Manti La Sal, Price Field Office); and the DOGM field office in Price for their review and concurrences. A C1C2 form accompanies these pages to outline the process of replacement.

If you have any question, please call Priscilla Burton at (801) 538-5288 or me at (801) 538-5325.

Sincerely,

Daron R. Haddock
Permit Supervisor
