**Electric Lake
And Huntington Creek
Drainage Data**

Dear Greg:

Attached is the "Data and Findings Summary", dated June 24, 2003. We hope this provides the information that you requested associated with the Electric Lake. These studies and information were gathered by PacifiCorp to assess and understand the cause of water loss from Electric Lake.

After you have time to review the information, Cody Allred, our Environmental Engineer, or myself will be available to answer any questions you may have about the data. My phone number is 435 687 4211, and Cody's number is 435 687 4306.

Very Truly Yours,

David W. Sharp
Huntington Plant Managing Director
