RE: Update to Drawing 4.6.5-1 related to the Reclamation of the South Fork  
Portals, Canyon Fuel Company, LLC, Skyline Mine, C/007/005

Dear Ms Grubaugh-Littig:

Please find enclosed with this letter seven copies of the updated Drawing 4.6.5-1. This new drawing was initially submitted on August 29, 2003 with the mine's application to modify the M&RP to allow for the use of wasterock during the reclamation of the South Fork portals. The original copies of this drawing did not include a P.E. certification stamp. These new maps do include the certification. No other changes have been made to the drawing.

This submittal includes the necessary completed C1 and C2 forms. If you have any questions, please call me at (435) 448-2669. We appreciate your help in this matter.

Sincerely,

Chris D. Hansen  
Environmental Coordinator
