Dear Mr. Meadors:

The Division received your application to include the James Canyon well JC-3 into the MRP on February 18, 2003. We anticipate completing a review of this application by March 7, 2003. Mike Suflita has been assigned as the Lead on this project. A copy is being forwarded to the Bureau of Land Management for their review. We understand you have already provided a copy of this application to the Manti-LaSal National Forest.

If you have any questions, please call Mike Suflita at (801) 538-5259 or me at (801) 538-5325.

Sincerely,
