Re: Re-Inclusion of the Lawrence Reservoir Site into the Skyline Mine MRP, Canyon Fuel Company, LLC, Skyline Mine, C/007/005-AM02F, Outgoing File

Dear Mr. Meadors:

The Lawrence Reservoir amendment was approved on August 14, 2002 as amendment AM02F. The text for the Lawrence Reservoir Site was inadvertently taken out of the approved MRP when the North Lease Revision was approved and incorporated. Enclosed is a stamped incorporated copy for your copy of the Mining and Reclamation Plan. The re-inclusion of this information should bring the Skyline plan up to date.

If you have any question, please feel free to call me at (801) 538-5325.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
