Dear Mr. Meadors:

Enclosed is a copy of a letter received by the Division from Pacificorp in response to the Cumulative Hydrologic Impact Area (CHIA) assessment that was written by the Division in August 2003. The conditions at the Skyline Mine continue to be evaluated and the revision to the Mine Plan to include the most recent hydrologic modeling information is in the review process.

If you have any questions, please call Gregg Galecki at (801) 538-5260 or Daron Haddock at (801) 538-5325.

Sincerely,

Daron R. Haddock
