Re: HCI Groundwater Model Report in PHC, Canyon Fuel Company, LLC,
Skyline Mine, C/007/0005, Task ID #1961, Outgoing File

Dear Mr. Hansen:

The above-referenced amendment has been reviewed. Email correspondence between yourself and Gregg Galecki, from August 26 through September 1, 2004, cited deficiencies and comments within the document. Conversations indicated you would be able to respond by October 22, 2004, but other responsibilities have delayed your response. Your request to extend your response period until November 19, 2004, has been approved. Copies of the emails, citing deficiencies are available upon request. In order for us to continue to process your application, please respond to these deficiencies by November 19, 2004.

If you have any questions, please call me at (801) 538-5286 or Gregg Galecki at (801) 538-5260.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
