Re: *Public Comment to Canyon Fuel Company's ("CFC's") proposed modification of its existing Mining and Reclamation Plan C/007/005 for the North Lease ("North Lease")*

To whom it may concern;

The purpose of this letter is to provide comments and concerns related to CFC's proposed North Lease mining operations.

In its evaluation of this project, PacifiCorp encourages the Division to address potential ground water impacts of mining the North Lease area on water resources related to Electric Lake that are crucial to the operation of the Huntington Power Plant.

If you have any questions regarding this letter, please contact Dave Sharp at (435) 687-4211.

Sincerely yours,

Dave Sharp
