RE: Macroinvertebrate Report  
 Winter Quarters & Woods Canyon

Dear Dr. Ernstsens:

As requested by Mr. Chris Hansen, please find enclosed a copy of the report called "**Baseline Monitoring of the Benthos in Winter Quarters Canyon Creek & Woods Canyon Creek: October 2002 & June 2003**" by Dr. Dennis K. Shiozawa. This report was dated July 2004; our submittal was July 9, 2004.

Field and laboratory methodologies have remained consistent between sample periods. For more details about these methodologies, please refer to the *METHODS* sections provided in the final reports for these creeks.

Please contact me or Canyon Fuel Company with any additional questions or comments.

Sincerely,

Patrick D. Collins, Ph.D.  
 Biologist/Environmental Consultant
