Subject: Reconnaissance Inspection

Dear Mr. Hansen:

On April 15, 2005 I conducted a reconnaissance inspection of your facility outfalls in regards to the UPDES Permit No. UT0023540. Specifically I observed outfall locations 001 & 002, as well as their receiving waters.

Enclosed is a copy of the inspection report for your records. I will be contacting you in the near future to schedule a more detailed site visit and inspection. If you have any questions, please contact me at (801) 538-6779 or by e-mail at [jstudenka@utah.gov](mailto:jstudenka@utah.gov).

Sincerely,

Jeff Studenka, Environmental Scientist
