Mary Ann and Pam,

Thanks for taking the time to talk with me by phone earlier this afternoon. As we discussed, the documents that Dave Sharp and Jeff Richards provided to Mike Styler a few weeks ago regarding PacifiCorp's Electric Lake contain "attorney-client privilege" notations. This was inadvertent and we request that you either substitute the attached (which are the same documents absent the attorney-client notation) for the documents provided to Mr. Styler or white out the notation on the documents you have prior to scanning the documents and including them on the DOGM web page.

Thanks for your consideration and please don't hesitate to call with any questions.
