Wayne,  
 Mesia has not looked at the plan for the South Fork of Eccles because of her very busy schedule required for managing all aspects of the Ferron/Price District. She has delegated that authority to me.

I have reviewed the plan. I am OK with the plan so long as the work gets done correctly.

We (either Mike Smith, or Dale Harber and I) plan to be on site on the morning of August 18 to meet and review the project.

 Proposed Skyline South Fork Access Road Reclamation Work

Dale,  
 Didn't get a chance to ask you yesterday afternoon during our conference call on Rilda, if you were able to reach Tom Lloyd or not. Was Tom able to get back to you regarding Mesia's AOK on the road reclamation proposal from Skyline for the South Fork Portal access road? Just want to make sure that we were all clear on proceeding ahead with Gregg's emailed road reclamation proposal that is scheduled for August 18-19, this week. When you have a

moment please advise.  
Thanks!  
Wayne
