The pre-bid mtg was already held the 22nd of June. Our comments (if any) are due to Canyon Fuels on the 30th of June. The bids will come in on June 30 and adjustments can be made, if necessary at that time.

I will relay to the USFS (Tom Lloyd or Mesia Nyman?) that

- 1) the pre-bid mtg was already held
- 2) USFS comments are due on June 30
- 3) the earliest the work will be done would be during the week of July 18.

I will plan to be the Division representative present and coordinate with the F.S. to make sure that they have a representative present as well.
