OK

Here's the site for the "cumulative" spreadsheet we discussed yesterday. We're burning CD's of the incoming and outgoing 2000 to 2004 files for you. We can send those to you or if you would like to make other arrangements, please let me know.

If there is anything else, please e-mail or call me. Pam

Randy,

Could you please put this on the ftp site under Skyline?

Thanks,
Dana
